## WEB WIZARD

(Learning & Earning Solutions)

## WEB WIZARD

Diploma & Masters Courses

WEB WIZARD (Learning & Earning Solutions) computer Education established in the year 2017 has 2 decades of expertise in IT Education. WEB WIZARD gives training to students with respect to industry requirements. WEB WIZARD now requires 100 + Candidates in Commerce Stream, 250 + Candidates in Web technology Stream and 150+ Candidates in Programming Stream, 250 + Candidates in Managerial Stream.

To have a successful career in Information Technology a lifelong learning in latest computer technologies is required. However how strong foundation you have, Practical learning will decide whether you will be able to meet tomorrow's challenges.

At WEB WIZARD, Employees are trained in a multi-cultural atmosphere providing student-centered interactive learning which is riveted on today's computerized business environment.

### WEB WIZARD's Philosophy

We believe that training in the latest computer technologies combined with life-long learning are the essential ingredients for building a successful career in the IT Industry.

At Web Wizard emphasis is given to the maximum extent on the projects by maximum practical learning through simulated projects designed to the needs of the industry. "Practice makes a man perfect". A belief that is unanimously shared at WEB WIZARD. This is quite evident from the fact that the employees are offered more computer time than theory, a popular concept in modern employment.

### WEB WIZARD's Overview

Web Wizard provides high quality computer education at a very high standard at a very low cost. Our mission is to create a pool of high quality software professionals who will meet the demanding needs of multinational organizations for tomorrow's challenges.

Training methods have been maximized with "learning" rather than "teaching" through well equipped lab ONE-TO-ONE ratio (ONE COMPUTER FOR ONE STUDENT). With structured combination of theoretical and practical sessions, reinforced with colour Intel Dual Core computers in every class room for live demonstrations.

The value of our Diploma and Masters speaks for itself. It is trusted by the industry, our strength is "Training in the Diploma and Masters Courses" which has been designed to offer learning, emphasis on the practical's. The Diploma and Masters courses have also been incorporated with academic training material suitably developed for software industry's applications. Diploma and Masters Courses are extensively researched and designed by professionals from IT industry. WEB WIZARD has also ongoing research to meet out emerging trends and future requirements of the software industry, with continuously advice on the course content and teaching methodologies.

The institute features modern classrooms that create a pleasant atmosphere conducive to learning. The software versions are the latest and the technology is upgraded very frequently to meet the emerging demands of the software companies. We conduct the Exams to a very high standard which reflects our quality education. At WEB WIZARD we offer courses on different verticals:- Finance & Accountancy courses, Diploma & Masters Courses, Multimedia and Animation courses, Graphic Design Specialist Courses, Individual Certificate Courses.

### Hours of Operation:
